Estd

Estd by Established & Sons is an exciting own-label collection of purposeful furniture and accessories designed for daily use. Intended to create an enlightened moment, where design adds to the quality of an experience, all designs have an intrinsic point of difference whether it is the colourway, the material used or the unique manufacturing process.

The individual designs derive their value not from the reputation of the designer, but through the articulation of the Established & Sons truthful commitment to excellent and accomplished industrial design. Diversity and freedom for ideas characterise the growth and development of all Established & Sons collections.
